ACCESSIBLE 3D ARCHERY SHOOT

Camp Liberty is pleased to offer an archery event from 9:00 a.m. to 5:00 p.m. on August 26 and 27. The program will include access to our 75-yard outdoor range, our aerial archery target thrower, and eight stations with 3D game targets in realistic hunting situations.

Laporte Aerial Target Thrower

The program will be held at Camp Liberty, 7044 Kappler Road, Brooklyn, MI. You may use your own equipment or Camp Liberty can provide equipment including bows and crossbows. We have equipment suitable for kids and adults. Only field tip arrows may be used.

3D Stations in Realistic Hunting Conditions

Camp Liberty's archery range and 3D targets are designed to be accessible to those with mobility challenges. You may utilize one of our Action Trackchairs or one of our volunteers can assist you with a golf cart.

The event is free to active-duty military, veterans, police, fire, EMS, and kids under 16. A free-will donation is requested from others. \$10.00 per person is suggested. All funds received will be used for accessible outdoor recreation programs to benefit our U.S. military veterans and active-duty service members.

VOLUNTEER OPPORTUNITIES

AUGUST 21 – 27

Volunteers are needed during the week of August 21 through 27 to help with Camp Liberty's conservation efforts, prepare for our fall programs, and manage our archery event on August 26 and 27.

The times, days, and number of hours you volunteer are flexible, and we have tasks for all ages, skill sets, and abilities.

Specific goals include:

- Welcoming guests to our archery event
- Archery Range Staffing
- Cleaning, painting & repairing our wildlife blinds
- Planting trees and food plots
- Clearing trails
- Cleaning up around the storage barn
- Cutting and splitting firewood

During this week, we will also be holding organizational meetings for volunteers that would like to serve on Camp Liberty's hunting and fishing committees. If you enjoy hunting or fishing and are interested in assisting our veterans and active-duty service members, this is an excellent way to get involved. The Hunting and Fishing Committees develop and supervise programs for Camp Liberty that are provided free to veterans and military personnel.

Camp Liberty is an IRS-approved 501(c)3 charity that is focused on using accessible outdoor recreation to thank our active-duty service members, veterans, and those with health challenges.

If you are interested in volunteering, serving on one of these committees, or learning more about Camp Liberty, please contact Allan Lutes at camplibertyinc@gmail.com or 734-216-3466.
