

DEER HUNTING AT CAMP LIBERTY

We are pleased to announce that Camp Liberty's deer hunting programs will be offered again this fall. We are inviting active-duty military and veterans to submit their interest in participating in any of the following opportunities:

- **Liberty Hunt** – September 9 – 10 – Open to disabled veterans – The application deadline is August 18.
- **Dave Drummond Memorial Independence Hunt** – October 19 – 22 – Open to disabled veterans. The application deadline is September 15.
- **Firearm Deer Season** – November 15 to 19 – Open to the four active duty and veterans that donated the most time to Camp Liberty from January 1, 2023, through Oct. 30, 2023.
- **Muzzleloading** – December 9 to 12 - Open to active duty and veterans. (Shotguns, Slug guns, and straight-wall cartridge rifles may also be used.) The application deadline is November 10.

2022 SUCCESSFUL HUNTERS

In 2023, Camp Liberty hosted 24 veteran and active-duty hunters. 12 were successful in harvesting a deer. Camp Liberty has planted 8 food plots as part of this year's conservation plan. We expect that this will be a good year for whitetails and have already observed some nice bucks this summer. Camp Liberty will provide lodging, food, heated hunting blinds, and a guide to assist you. You may use your own firearm or Camp Liberty can coordinate your use of a firearm. You will need to arrange your own transportation to Camp Liberty and your hunting license. Hunting licenses may be free for Michigan resident veterans with a disability and active-duty military personnel.

We expect that there will be more applicants for deer hunting than Camp Liberty can accommodate. Hunters will be determined through a random drawing administered by Camp Liberty's Hunting Committee. **To apply to hunt at Camp Liberty, click the following link, fill out the application, and click on submit.**
