2023 SUCCESSFUL HUNTERS

Camp Liberty will provide lodging, food, heated hunting blinds, and a guide to assist you. You may use your own firearm or Camp Liberty can coordinate your use of a firearm. You will need to arrange your own transportation to Camp Liberty and your hunting license. Hunting licenses may be free for Michigan resident veterans with a disability and active-duty military personnel.

A new addition to this year's program is allowing youths to hunt when accompanied by an Active-Duty Service Member and a Veteran family member. The youth hunters will have the opportunity to take any legal deer and to enjoy the hunting camp experience. Youth hunters must meet the criteria detailed in the Michigan Hunting Regulations and be properly licensed. We believe this will add a new, fun dimension and bring new interest to these hunts.

Another new aspect of this year's programs is that able-bodied hunters are requested to provide eight hours of volunteer assistance before the hunt for which they are selected. Tasks will be assigned based on each person's physical abilities and skills. Weekend volunteer days will be coordinated.

We expect that there will be more applicants for deer hunting than Camp Liberty can accommodate. Hunters will be determined through a random drawing administered by Camp Liberty's Hunting Committee. **To apply to hunt at Camp Liberty, click the following link, fill out the application, and click on submit.**
